A Reiteration of TRIGGERNOMERCY'S Past Actions

I prefer to be referred as an Anonymous Character, but if you prefer to call me by a name, call me *"Mr. R"*. This is for Archival Purposes.

C.W: *CHILD GROOMING MENTION, ATTEMPTED SUICIDE, HARASSMENT, SUICIDE BAITING, FALSE ALLEGATIONS, GANG MENTALITY, ETC.*

PLEASE NOTE: *DO NOT WITCHHUNT TRIGGERNOMERCY/NEFARIOUS_SKULL.* The best course of action would be to ignore their existence entirely or *AT WORST,* calling them out on their actions of cyber harassment with evidence to back your claims and Blocking them soon after. A flame war is extremely unhealthy for us all anyway.

Alright, I am normally not one to call out anyone's actions in the past. People can change from their ways. However, the atrocious behavior of TRIGGERNOMERCY goes into question. I can understand being groomed into thinking a mentality is okay. I have been groomed into thinking when I was 15-16 that being in a relationship with a 24 year old man was okay because my younger friend was doing it. I was in uncomfortable situations with this and it still has an effect to this day.

However, apparently from my research, these actions done by TRIGGERNOMERCY were actually quite recent. And unfortunately, the people effected have to this day, never returned to social media (to my knowledge). I... Secretly fear what they have done to themselves for this person's horrendous behavior. For those who are more informed, I am talking about the incident between TRIGGERNOMERCY (Formerly, ShyGuyPrincess) and FNaFNations on Deviantart. These actions go back as recent as only barely above a year ago. I shall give a link to add credence to my claims.

This is because TRIGGERNOMERCY believed that FNaFNations "stole their artstyle". Many videos have debunked how that even exists. However, I will give a link as to how this is preposterous to claim.

Now, normally I would give a benefit of a doubt to TRIGGERNOMERCY. Maybe they were a high schooler at this point. Well, they weren't under the age of 18. They were 19 years old at the time FNaFNations deleted their account and almost 20 at the time the Callout post was made.

From that point forward, they should've known better than to send their fans to harass this poor child. I am unsure how old this person was, but they were witchunted into deleting their account because of lies, false allegations, constant spam, and harassment on their profile. Then, it was rumored that NOMERCY bullied Nations into suicide. Honestly, I am unsure if was FNaFNations who was bullied into it, but it makes NOMERCY look like a tremendous hypocrite for what they did recently. To this day, I miss FNaFNations' content dearly and I hope they're alright. But the lack of answers if they're even alive makes me extremely worried.

Now, people may be wondering. *"Mr. R, aren't there other things that NOMERCY has done?"* The answer is, yes. But I am unsure of what without digging up actions from 2014, 2015, 2016, and 2017. They would most likely be underage at that point, as far as I can tell. I do not like using actions that a high schooler has done against how the person has changed now. That will never excuse what they have done, but you have to remember that they were a child.

Now, let us move on to the present. 2019. This is where it gets messy. In the second link I have provided for you (according to the Reddit user), TRIGGERNOMERCY ""apologized"" in the Edited sections. I say this pretty loosely because TRIGGERNOMERCY used excuses for their Cyberbullying behavior and didn't even have the guts to name who they witchhunted on Deviantart. The biggest excuse was "Being Groomed".

This excuse would **only** apply if TRIGGERNOMERCY was underage. Which, they weren't during the FNaFNations incident. No one can legally groom a 19 year old into maliciously harassing a (presumed) high schooler. You are an adult once you reach the age of 18. AND ALSO, BULLYING A CHILD ISN'T EVEN "BEING GROOMED". *YOU WERE JUST BEING A DEFILER WHO*

SPREAD LIES ABOUT WHO THEY BULLIED INTO DELETION AND POSSIBLE SUICIDE.

And you want to know something even better? Those posts were deleted after. So much for an apology to someone you falsely accused of "Art Style Theft" and "Identity Theft". You just wanted to feel better about yourself, didn't you? Well, that was to your success, because your fans believed you. Disgusting.

I can't believe I have to say this. But here's a comprehensive guide of how to properly apologize to someone you hurt tremendously:

1. Do not make excuses.
2. Do not apologize to the person calling you out. Apologize to the person you've actually hurt (unless the person calling you out is the person you've hurt).
3. Do not guilt-trip the person you're apologizing to and your fans. (i.e, "I'm sorry my apologies are never good enough for you.")
4. Detail your actions and why they are terrible.
5. **DO NOT DELETE THE APOLOGY.**

Okay, are we clear? Okay.

Now let's get into the meat of how their actions are extremely hypocritical. Let's take a look at this post.

After your constant deleting of your posts and apologies, you finally deleted your Twitter and all your social media (except some of your accounts on your Carrd). For what reason? Well I don't know, AfterJuneTea found out from a (ex) friend of yours that you faked your death! Didn't you say how horrible it was for FNaFNations to use suicide to guilt trip you? ~~Even though they never did and you tried to make them look bad by lying about this.~~

What's hilarious to me is that you also guilt-trip June after ""Apologizing"" again USING HER REAL NAME. "You win, ___." This is a common type of guilt-trip statement. Hell, is it even an apology or are you just being passive aggressive? It would be understandable if you were constantly harassed yourself, but you weren't. You had plenty of support and even had people attacking June. You even have people supporting you to buy a fucking car and pills. You need to work for that. Not ask people to fund stuff for you. I would feel pity for you, but I can't considering how immature you are. Grow the Hell up.

Alrighty, here's one last thing. I'm sorry that you were groomed as a teenager. No one deserves that. That will never justify what you did, but I'm sure the after effects will hurt you a lot. Regardless, I don't actually hate you. I just get **very** heated when it comes to people hurting others over petty things. Lastly, do not apologize to *me* for calling you out. I wasn't the one who you hurt in the first place. I'm just a guy on the internet. Apologize to the ones you've hurt. My advice? Make a separate account apologizing and verifying that it's you who is apologizing. If the people you've hurt don't forgive you, don't get upset. You brought that on yourself and it's now your problem. Remember the actions you've done, reflect, and do not repeat them.

Take care, everyone. I hope this helps you out on why people do not like TRIGGERNOMERCY/NEFARIOUS SKULL.
